- (a) Beginning in fiscal 2018, the Company adopted the Financial Accounting Standards Board's Accounting Standards Codification No. 606, *Revenue from Contracts with Customers*, and related amendments ("ASC 606") using the full retrospective adoption method. All periods in fiscal 2017 and fiscal 2016 were amended to reflect these provisions, and retained earnings at January 2, 2016 (beginning of fiscal 2016) were adjusted for the cumulative effect of periods prior to fiscal 2016. The adoption of ASC 606 had no material effect on the Company's consolidated financial position, results of operations, and cash flows.
- (b) In addition to the results provided in this earnings release in accordance with GAAP, the Company has provided adjusted, non-GAAP financial measurements that present gross margin, SG&A, operating income, net income, and net income on a diluted share basis excluding the adjustments discussed below. The Company believes these adjustments provide a meaningful comparison of the Company's results and afford investors a view of what management considers to be the Company's core performance. The adjusted, non-GAAP financial measurements included in this earnings release should not be considered as an alternative to net income or as any other measurement of performance derived in accordance with GAAP. The adjusted, non-GAAP financial measurements are presented for informational purposes only and are not necessarily indicative of the Company's future condition or results of operations.
- (c) Costs associated with changes to the Company's business model in China.
- (d) Non-recurring costs related to the Skip Hop and Mexico acquisitions.

- (a) Beginning in fiscal 2018, the Company adopted the Financial Accounting Standards Board's Accounting Standards Codification No. 606, *Revenue from Contracts with Customers*, and related amendments ("ASC 606") using the full retrospective adoption method. All periods in fiscal 2017 and fiscal 2016 were amended to reflect these provisions, and retained earnings at January 2, 2016 (beginning of fiscal 2016) were adjusted for the cumulative effect of periods prior to fiscal 2016. The adoption of ASC 606 had no material effect on the Company's consolidated financial position, results of operations, and cash flows.
- (b) In addition to the results provided in this earnings release in accordance with GAAP, the Company has provided adjusted, non-GAAP financial measurements that present gross margin, SG&A, operating income, net income, and net income on a diluted share basis excluding the adjustments discussed below. The Company believes these adjustments provide a meaningful comparison of the Company's results and afford investors a view of what management considers to be the Company's core performance. The adjusted, non-GAAP financial measurements included in this earnings release should not be considered as an alternative to net income or as any other measurement of performance derived in accordance with GAAP. The adjusted, non-GAAP financial measurements are presented for informational purposes only and are not necessarily indicative of the Company's future condition or results of operations.
- (c) Related to the Toys "R" Us bankruptcy.
- (d) Costs associated with changes to the Company's business model in China.
- (e) Insurance recovery associated with unusual storm-related closures.
- (f) Non-recurring costs related to the Skip Hop and Mexico acquisitions.
- (g) Costs associated with the Company's direct sourcing initiative, which include severance and relocation.
- (h) The difference between the impacts on operating income and net income represents the income taxes related to the adjustment item (calculated using the applicable tax rate of the underlying jurisdiction).

Note: Results may not be additive due to rounding.

# Forward-looking Statements and Other Information

Results provided in this presentation are preliminary and unaudited. This presentation should be read in conjunction with the audio broadcast or transcript of the Company's earnings call, held on October 25, 2018 which is available at [www.carters.com](http://www.carters.com). This presentation contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to the Company's future performance, including, without limitation, statements with respect to the Company's anticipated financial results for the fourth quarter of fiscal 2018 and fiscal year 2018, or any other future period, assessments of the Company's performance and financial position, and drivers of the Company's sales and earnings growth. Such statements are based on current expectations only, and are subject to certain risks, uncertainties, and assumptions. Should one or more of these risks or uncertainties materialize or not materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated, or projected. Certain of the risks and uncertainties that could cause actual results and performance to differ materially are described in the Company's most recently filed Annual Report on Form 10-K and other reports filed with the Securities and Exchange Commission from time to time under the headings "Risk Factors". Included among the risks and uncertainties that may impact future results are the risks of: losing one or more major customers, vendors, or licensees due to competition, inadequate quality of the Company's products, or otherwise; financial difficulties for one or more of the Company's major customers, vendors, or licensees, or an overall decrease in consumer spending; our products not being accepted in the marketplace due to quality concerns, changes in consumer preference and fashion trends, or otherwise; a failure to meet regulatory requirements, including those relating to product quality and safety; negative publicity, including as a result of product recalls or otherwise; a failure to protect the Company's intellectual property; various types of litigation, including class action litigation brought under various consumer protection, employment, and privacy and information security laws; a breach of the Company's consumer databases, systems, or processes; disruptions, slow-downs, or strikes in the Company's supply chain, including disruptions resulting from increases in the cost of raw materials or labor, foreign supply sources, the Company's distribution centers, or in-sourcing capabilities; extreme or unseasonable weather conditions; unsuccessful expansion into international markets or failure to successfully manage legal, regulatory, political and economic risks of the Company's existing operations, including unexpected changes in regulatory requirements, new tariffs, and maintaining compliance with worldwide anti-bribery laws; failure to successfully integrate acquired businesses; fluctuations in foreign currency exchange rates; the imposition of new regulations relating to imports, duties, or taxes; and an inability to obtain additional financing on favorable terms. The Company does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.
